

# XIX WATERPOLO INTERNATIONAL TOURNAMENT

# Polo amig@s

## PRESENTATION

Dear Poloamig@s:

The new edition of the POLOAMIGOS water polo tournament is really close.

Like last year, the tournament will be held in two pools, the traditional Ana Carmen Muñoz pool, where the matches for the youngest and junior categories will be played, and the renovated Olympic pool, where the matches for the children's category will be played. This allows greater comfort in schedules so that every minute of the tournament can be fully enjoyed.

We expanded the number of participating teams with a special boost to the female junior category to reach 14 teams in the following categories:

- U10 mixed
- U12 mixed
- U12 women
- U14 mixed

All matches will be broadcast in full via streaming for families who cannot travel to our city and we will have news in the FUN ZONE for water polo players who are not playing matches.

The Venue will be on December 8, 9 and 10, 2023 at the E.M. El Olivar pools of Zaragoza.

We are looking forward to see you in December

## GENERAL RULES

There is no limit on the number of players registered on a team but only 13 players can play each game. The minimum registration being 11 players for the U14 category and 10 for the U10 and U12 categories.

Only one coach and one delegate per team may sit on the bench.

Each team must wear two sets of hats.

Four-half matches will be played with a running clock: 4 x 7 min. in U14 category and 4 x 5 min. in the rest of the categories.

All players will have the obligation to play in the first three periods of each match.

For the U10 and U12 categories, the score will be closed when there is a difference of ten goals, although for the goal-scoring, the match report will continue to be recorded.

A document with the specific regulations for each category will be sent to the registered teams.

In order to avoid plastic waste with the packaging, water bottles will not be delivered to the teams during the matches, but there will be a fountain available to all athletes to refill individual water bottles that we recommend to bring.

## PUNTUACION

3 points per game won.

1 point per tied game.

0 points per game lost.

In the event of a tie in the first phase of the league, the following criteria will be applied:

- Direct result between the teams involved.
- Result with the best classified teams.
- Finally, if the tie continues, a draw will be held.

## REFEREES

2 referees per match for the children's category and 1 referee per match for the U12 and U10 categories.

1 timing judge.

1 scoreboard judge.

## DISCIPLINE COMMITTEE

It will be made up of two referees and a member of the organization.

A red card shown to a player, coach or official of a team will mean not being able to compete in the next match.

The second red card shown to the same person will result in expulsion from the tournament.

The Poloamig@s tournament aims to promote solidarity and integration, which is why every year we collaborate with an entity. This year the tournament benefits the Carlos Sanz Foundation and the ALDA Association.

The amount raised with the donation of the teams, referees and assistants will be given to these associations.
